**New Technologies, Gambling and Youth:
Raising Prevention to the Next Level**

Date: Wednesday, April 28, 2010
Time: 9:00 a.m. - 3:30 p.m.
Place: Chapman Hall
Middlesex Community College
100 Training Hill Road
Middletown, CT 06457

A day of training and conversation with Dr. Jeffrey L. Derevensky, internationally acclaimed researcher and co-director of the McGill University International Centre for Youth Gambling Problems and High-Risk Behaviors. Designed for community prevention providers, helping professionals, middle and high school teachers and staff, and college and university personnel to incorporate current research on protective factors, the latest technologies, and problem gambling awareness into their alcohol, tobacco and other drug prevention (ATOD) programs with youth and college students.

Pre-registration is required. [To Register, call 203-453-0138 between 9:00 a.m. – 5:00 p.m.](tel:203-453-0138)

Program enrollment is free, and lunch will be provided.

Five CCB CEUs have been applied for.
